

Dividita 2018-03-31 Meeting Agenda

Saturday, March 31 from 12:00pm-1:00pm (US/Central), via Google Hangouts

https://hangouts.google.com/hangouts/_/bbkjobzwmbhmbot4lzj7s66cv4e

- **12pm-12:15pm:** Get up to speed:
 - Hellos
 - Please save discussion/questions about any of these “get up to speed” items for open discussion (make a note!) we need to blast through these bullet points!
 - Anyone willing to take notes, i.e., “meeting minutes?”
 - Project summary: to make self-organization, measured by leverage, highly reproducible and successful. **The end goal is a system allowing collective groups to make decisions equally as a group, rather than using representatives, in order to run an organization.**
 - Suggested high level: a collection of apps/functionality enabling our end goal that can be plugged into various existing services, e.g, Slack, Discord
 - We’re on Facebook (private group) and have a Google Calendar
- **12:15pm-12:45pm:** Finish [Q2 Action Plan](#), assigning actions to users
- **12:45-1pm:** Open discussion, free time, summary

NOTE: Materials, including meeting minutes, will be put on dividita.org as PDF (Lily will do that...)
